#### **Workshop Descriptions**

**Lectio Divina Workshop with Dottie Briggs:** Dottie will focus on exploring and experiencing a variety of ways to pray with scripture. She will offer various ways of praying with scripture in small group settings and individually.

**Prayer Walking and Prayer Labyrinth Workshop with Virginia Birks:** Virginia's workshop will focus on any form of praying while walking, with a particular emphasis on a labyrinth. A simple labyrinth will be laid out to walk.

**Prayer Partnering Workshop with John Lane:** John will present various ways to create a prayer partner ministry within the congregation. John Maxwell's book "Partners in Prayer" is an excellent resource for this workshop. As of October 29, the book appears to be available from Cokesbury at a price of \$8.79.

**Developing a Personal and Corporate Rule of Life with Debbie Rundlett:** Slow death or deep change in Christ. The choice is ours. In a time of rapid and discontinuous change, what does it mean to be the church reformed, always reforming according to the Word of God? Prayer becomes a means of aligning our lives anew with God's missional call. This workshop will explore models for developing a personal and corporate rule of life.
